SUPPLEMENT TO
REPORT NO.

25X1X 1. The R bureau in Rakovica is a special technical institute drawing detailed plans for the construction of prototype motors which are to serve as first models for series constructions of motors. Gasoline and naphtha motors are presently on the drafting boards of the bureau.

2. The R bureau works on plans for the Federal Motor Industry and the Air Force Industry. The Aerotechnical Institute depends on the R bureau in Rakovica for its technical drawings of motor construction. Administratively, the bureau is under the management of the Federal Motors Industry.
